

## WOOLACOMBE TOURIST INFORMATION CENTRE ..... DOG INFORMATION

Thank you for your enquiry.

To enable us here at Woolacombe to comply with Blue Flag and Seaside Award criteria, dogs are not allowed between the rocks at the north end of the beach and the stream from Good Friday or 1<sup>st</sup> April ( whichever is earliest ) until the first Monday in November. This is a very small area in comparison to the size of the beach.

Dogs must be on leads from the stream to Mill Rock from same dates.

Dogs may be exercised without restriction from Mill Rock onwards, which if you know the beach at all is a very large area, plus all the sand hills. Miles and miles of fun for your dogs. Please be aware of the danger of Adders in the sand hills, May and June especially when the adults are protecting their young. Adders will by their nature, try to keep away from you, but dogs can be very inquisitive.

Woolacombe is a very dog friendly area with plenty of walks which your dog will enjoy.

Barricane beach dogs are allowed on leads.

Combesgate beach is no dogs at all, because the steps would be far too dangerous for them.

Grunta and Rockham beach Mortehoe dogs are allowed.

Saunton beach dogs are allowed, with certain designated restrictions.

Croyde beach, No dogs allowed.

Lee Bay, near Ilfracombe, Dogs are allowed.

Lee Bay, near Lynton, 1<sup>st</sup> May – 30<sup>th</sup> September, No Dogs allowed.

Dogs are not allowed on Lundy Island.

We do hope this is of help to you.
