We're approx 4 miles from junction 3 of the M42 heading back towards Birmingham.

This year we are again reversing the order for Novelty Classes & Breed classes again to give the owners of the novelty classes a chance to appear at the start of the event.

We would like to show off our winners so it is proposed we do a parade around the main arena at the end of the carnival & we hope all those who win will be proud enough to be able to join in. (If obedience winners have been decided at this point then we hope they can join in, if not we might ask for representatives (e.g. those in the run offs) to join in at the discretion of the judges

Other details:

Please remember we are part of a carnival & therefore other events will be happening.

This year they have booked "Mr Alexandra" who is a children's entertainer & his stand will be at the back of our field, there will also be arena events such as marching bands so hopefully nothing too loud!
